

# Table of Contents

Volume 32, Issue 4 — April 2025

---

## Research Articles

---

1.

### **Ecological Impacts of Urbanization on Native Plant Species in Coastal Regions**

, Pedro Becker, Pedro Brown, Lei Anderson

---

2.

### **Robust QSRR Models Development in Capacity Factor of Nanoparticle Compounds Based on Genetic Algorithm Optimization**

Masashi Torres, Aisha Schulz, Aisha Schulz

*Keywords: QSRR; Nanoparticles; Genetic Algorithm; PLS; Artificial Neural Network; Capacity Factor*

---

3.

### **Formation and Characterization of Orange Peel Oil Microemulsion Using Various Surfactants**

Emma Suzuki, Satoshi Schneider, Satoshi Schneider

*Keywords: Microemulsion; Orange Peel Oil; Surfactants; Cosurfactants; Encapsulation; Lecithin*

---

4.

### **The Effect of MRET Noise Field Generator on SAR Values of RF Phones**

Yong Martin, Ivan Zhao, Daniel Wilson, Ivan Zhao, Daniel Wilson

*Keywords: MRET Noise Field; SAR Values; RF Radiation; Mobile Phones; Electromagnetic Fields; Health Effects*

---

5.

### **Some Aspects of Computational Modelling for Anthropometric and Physiologic Characteristics of Sportswomen**

Pedro Tanaka, Bjorn Anderson, Ming Sánchez, Rafael Wagner, Bjorn Anderson, Ming Sánchez, Rafael Wagner

---

6.

### **The Role of Mycorrhizal Networks in Enhancing Drought Resilience in Temperate Forest Ecosystems**

Dr. Emily Zhang, Dr. Miguel Fernandes, Prof. Akira Tanaka, Heinrich Rudenko, Oleksandr Martin

*Keywords: Mycorrhizal Networks; Drought Resilience; Temperate Forests; Ecosystem Health; Climate Change*

---

7.

### **Impact of Urban Green Spaces on Biodiversity and Human Well-Being: A Case Study**

Dr. Mei Ling Chen, Prof. Rajesh Kumar, Dr. Fatima Al-Mansouri, Sven González

*Keywords: Urban Ecology; Biodiversity; Ecosystem Services; Public Health; Green Space Management*

---

8.

### **EPIDEMIOLOGY OF HUMAN LEPTOSPIROSIS IN COLOMBIA**

Valentina Mass- Martinez

*Keywords: Leptospirosis, Zoonosis, Reservoirs, Bacteria*
